History -- Contractor Accreditation in Italy

- Before 2004:
 - Various CONUS commands issued Letters of Authorization or Invitational Travel Orders directing contractors and others to Italy
 - Italian consulates imposed various requirements for granting the “missione visa”
- **The Problem:** Italy-wide, nobody knew who, what, where, when, why or how many of these people were in country
- US Sending State Office (USSSO) in the Embassy in Rome took control of the “missione visa” process in 2004
 - The USSSO realized that it was THE ONE OFFICE that had the most need to know
 - No capability to answer questions re “Technical Representatives” (TRs) or “civilian personnel” from Italian authorities
 - USEUCOM Policy Memorandum 04-04 grants USSSO the key decision-making role, and charges DOCPER to conduct the processing, on behalf of USSSO, for all defense agencies in Italy
- DOCPER functions as the “front office/back office” for USSSO

Controlling Access

First, “cordon off”
Italy to control

HOW? USSSO worked with MFA to

Second, make

the rules: No

unless they

What is a Tech Rep?

- **From the 1995 Shell Agreement:**
 - **Technical representatives of firms having special relationship with USF, when they come to Italy for other than temporary visits.**
- **From the Tri-component Directive:**
 - **Possess high degree of skill/ knowledge in order to complete complex or scientific tasks, acquired through higher education or a long period of training/experience.**
- **The definition of a TR is broader than “Technical Experts” (Germany). The definition also includes:**
 - **Troop Care service providers (doctors, dentists, etc.)**
 - **Analytical Support service providers**

What are Civilian Personnel?

UNCLASSIFIED

- **“Civilian Personnel” (CP)**
- **Closely affiliated with the United States Armed Forces and under their authority, but not employed directly by them, and not included in the Civilian component.**
- **From the Tri-component Directive:**
- **Civilian Personnel (CP) may be treated similarly as members of the civilian component for purposes of individual logistical support.**
- **CPs include:**
 - **bank and credit union employees**
 - **university employees**
 - **religious activity resource personnel**
 - **members of certain service organizations.**

Who is not a TR or CP?

The definitions of TR/CP do not include:

- **Sales representatives (e.g. Military Car Sales Program employees)**
- **General administrative or clerical personnel**
- **Warehouse personnel**
- **Personnel in any position that does not require significant experience, training, or education**

UNCLASSIFIED Accreditation as TR or CP is Important

- TRs and CPs have legal status in Italy as accompanying the force
 - Passport with “mission visa”
 - Permission to reside and work (“mission soggiorno”)
- TRs and CPs have privileges similar to military members & DOD civilian employees, i.e., vehicle registration, gas coupons, PX/commissary
 - No Italian income taxes
 - No Italian residency permit issues
 - Certain legal protections
- Saves DoD money

UNCLASSIFIED

Starting the Accreditation Process

- **WHEN?** As soon as a DoD organization wants someone to provide TR or CP services
 - DOCPER always starts with the contract
 - DOCPER always works with the Contracting Officer's Representative (COR) for that contract
- The accreditation process **MUST** be completed before the individuals arrive in Italy
 - Contracted employees **cannot legally enter Italy** to perform work until they have received a mission visa
 - A mission visa is obtained at the Italian Consulate which is closest to the individual's home of record
 - The Italian Consulate will not issue a mission visa to a contracted employee unless they have an accreditation letter from the USSSO through DOCPER

Contract Approval

1. COR provides copy of their COR designation letter or memo to DOCPER
2. DOCPER provides the COR with LOGIN access to the DOCPER Contractor Online Processing System (DCOPS)
3. COR provides DOCPER with contract information and documentation through DCOPS
 - Upload the executed contract document
 - Provide contract information (the vendor, the vendor representative (called the Program Manager, or PM), position locations
 - Upload the executed contract document
 - Upload the PWS or SOW
 - Upload the job description(s) which articulate duties and minimum education/experience requirements
4. Contract approved.

NOTE: Only the COR can make formal submissions to

DOCPER

Applicant Approval

After contract approval:

1. COR generates DCOPS login for each applicant

- Applicant provides information necessary to determine if the applicant is qualified and not “ordinarily resident” in Italy
- Upload his/her resume (entire work history, locations)
- Upload applicant’s offer letter or employment verification letter as signed by a company representative
- Upload the Approved job description (same JD uploaded at contract stage)
- Upload the Passport Picture page

2. COR reviews for accuracy and submits application for review

3. RENEWALS:

- Notify DOCPER Italy Team with the applicant’s name, and e-mail address
- DOCPER generates a login for the applicant and sets the status to: “Currently a TR needs soggiorno/ID Card renewal”
- Applicant updates the application, uploads all required documents (ESPECIALLY, current or expiring mission Soggiorno), submits to COR
- COR reviews for accuracy and submits application for review
- DOCPER reviews the application and provide a new DOCPER Accreditation Letter, new ID card as appropriate

Standards for Accrediting TRs and CPs

UNCLASSIFIED

- **TRs:**
 - Is the job sufficiently complex, requiring a high degree of skill/ knowledge? (SOW, JD)
 - Is the person a US citizen and qualified?
 - A bachelor's degree in a related field OR;
 - An associate's degree in a related field plus 4 years specialized experience OR;
 - At least 8 years of specialized experience and a High School diploma
 - Is the individual NOT "ordinarily resident"?
- **CPs:**
 - Is the job/position necessary for the functioning of an organization closely affiliated with the US Forces
 - Is the person a US citizen, and NOT "ordinarily resident"?
[NOTE: CPs have no education/experience requirement]

UNCLASSIFIED What is meant by “ordinarily resident?”

- Under the Tri-Component Directive, an individual is determined to be ordinarily resident in Italy when:
 - They have resided in Italy for more than 90 days without any affiliation with the US Forces
 - They have resided in Italy for more than 90 days and:
 - They have registered as a *residente* in the town where residing or;
 - They have taken other affirmative steps to avail themselves of permanent resident benefits such as registering to vote, applying for unemployment benefits in Italy, obtaining employment papers, registration with the Italian national health care system, etc.
 - They have resided in Italy for any period of time under a soggiorno other than per missione

Other Residency Issues

- **There is no provision in Italy to allow short-term or temporary personnel (in Italy less than 90 days) to be accredited as TRs or CPs.**

[NOTE: Contractors can work in Italy on TDY for up to 90 days without issue]

- **There's no set time-frame for "losing" OR status. There must be clear evidence that the individual left Italy with a clear intent of establishing a permanent residence outside of Italy**
 - **Leaving Italy for a short period is not sufficient**
 - **Totality of evidence (HHG & family moved, paying taxes in US, etc.)**
 - **The USSSO (through DOCPER) would require supporting documentation**
